## River Boat Captains Needed, Polar Party, Canoes

River Keepers will again be operating the S.S. Ruby tour boat this summer. Last year over 4000 passengers rode the S.S. Ruby enjoying the scenic, historic Red River of the North. **Due to increased demand we have a few openings for additional River Boat Captains.** It's a fun, enjoyable position but requires a U.S. Coast Guard license. If you have significant on-the-water time and are interested, give Bob a call at 701-235-2895 for the information on the requirements to obtain a license.

**Don't forget Polar Party this Saturday at MB Johnson Park (3601 11th St. N., Moorhead) from 10 a.m. - 3 p.m.** River Keepers will be coordinating the ice fishing demos for this Moorhead Parks and Recreation sponsored activity. Polar Party is FREE and open to the public. Other activities include cross-country skiing, archery, a snow dig for prizes, carriage rides, dog sled rides, snowshoe demos and races, and the Sleigh and Cutter Parade. Concessions will be available.

**River Keepers is in need of some additional used (in good or fair shape) aluminum canoes.** We can purchase them, or they would also make a good tax deductible gift. If you have one or know someone who does and wants to get rid of it, please contact Bob.
