Attached is an updated list of tomorrows Moorhead RiverArts activities. The theme at Viking Ship Park adjacent to the Hjemkomst Center is Health and Wellness. Sounds like it is going to be a nice evening!

All of our plans for the future and accomplishments of the past could not and will not be completed without the involvement and support from our many partners. Paid memberships and donations of time and materials all contribute to the successful completion of our goals. Your support not only provides some of the direct fiscal support necessary for our organization to continue but it provides matching funds for some of our grant funded projects. You can now donate to River Keepers online! Click the "Donate Now" button to see how!

In order to support their trek the Hudson Bay Expedition is accepting donations. <http://www.hudsonbayexpedition.com> For a donation of \$15 you will receive an official Expedition T-shirt or a reprint of Eric Sevareid's book (75th Anniversary edition), *Canoeing with the Cree*. Both can be bought for a discount of \$25. The book describes the trip 75 years ago, of Eric's 2250 mile canoe trip to Hudson Bay from St Paul. Stop by the office (please call first to make sure we are here) to pick yours up today. (Make out checks to Hudson Bay Expedition.)
