2011 River Keepers Highlights

Board Leadership:

River Keepers' Board of Directors conducted three successful fundraising events, Celebrate Our Red at the HoDo, the first annual Golf Tournament, and a cookie fundraiser at Atomic Coffee. These efforts raised \$12,000 for River Keepers!

Land Trail Development:

Participated in Metropolitan Council of Government's "gap analysis" plan development and a development of a new trails map.

Riverfront Development:

Worked with Fargo City staff on components of a revised downtown city riverfront plan. Encouraged participation in Fargo's Comprehensive Plan process. Made suggestions on proposed setback ordinance in Fargo. Partnered with Cass County Soil Conservation District on two "Living with a River" bus tours with 53 participants.

Red River Water Festival:

Annual hands on educational festival with almost 1500 students attending over four days. Over 110 people volunteered over 550 hours.

Canoeing, Kayaking, and Fishing:

Partnered with Moorhead's RiverArts to provide a fishing clinic with 46 youth and 29 adult participants. Organized and managed a fun canoe/kayak race, 7 teams participated. Cancelled Lil' Fisherman's Derby & Clinic and the Competitive canoe/kayak race due to high water. Twenty-three volunteers provided about 75 volunteer hours helping make these events successful.

Youth Service Projects:

Collaborated with Concordia College, YMCA, NDSU, MSUM, Moorhead High School, Horizon Middle School, Davies DECA, Barnesville High School, Oak Grove, Bennett Elementary, Ellen Hopkins, West Fargo 9th Grade Center, St. Joes, Oak Grove, MN and ND Extension, Fargo Park District, Eagle Scouts, Cass County Soil Conservation District, International Water Institute, and Envirothon on projects related to the Living Lab, storm drain marking program, T-shirt to Tote project, low impact development, and the water festival. Almost 175 participants contributed 264 volunteer hours just to the Storm Drain Marking Program. Eighteen volunteers built and installed wood duck houses providing almost 100 volunteer hours.

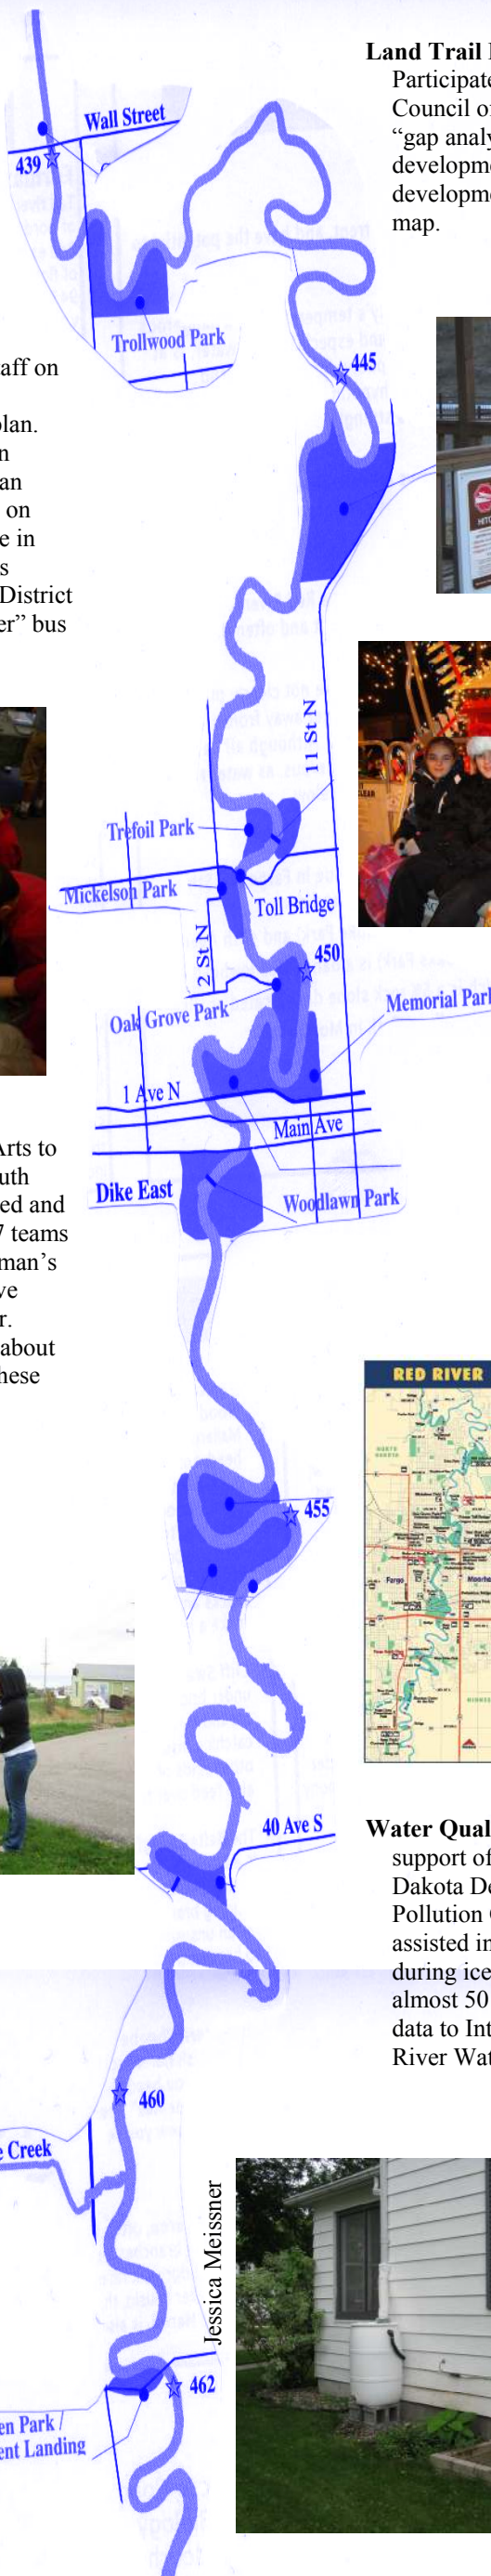

Awards:

Received the Governors 2010 Best Package Award at the North Dakota Travel Industry Conference for the Canoeing, Cooking and Campfire women's weekend soft adventure. Staff received Certificates of Appreciation from the Fargo Park District during a Parks and Recreation Month News Conference.

Living Lab:

Completed the rain garden. Installed more interpretive signs. Groups toured the site and utilized the educational Backpack Program. About 100 volunteers contributed over 200 hours.

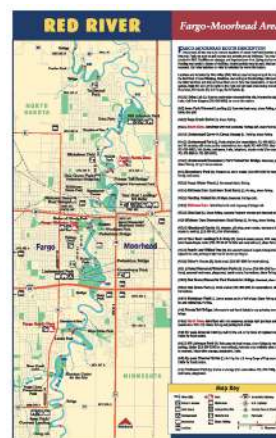

T-shirt Bags: To help reduce the amount of plastic bags blown into the riverfront, we continue to encourage converting used t-shirts into grocery bags.

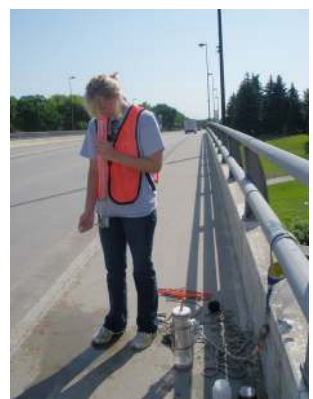

Red River of the North International Historic Canoe Trail:

Developed and distributed a Fargo-Moorhead Red River Map with support from Minnesota Department of Natural Resources and the Fargo Moorhead Convention and Visitors Bureau. Strongly advocated for fishing access and portages at Hickson and Christine Dam sites.

Water Quality Monitoring: With the support of the City of Fargo, North Dakota Department of Health, Minnesota Pollution Control Agency, 12 volunteers assisted in taking semi-monthly samples during ice-free conditions contributing almost 50 volunteer hours. Transferred data to International Water Institute's River Watch online database.

Workshops:

Partnered with Cass County Soil Conservation District and Moorhead Community Education to teach two *Make Your Own Rain Barrel Workshops* with and two *Make Your Own Compost Tumbler Workshops* with a total of 40 participants. Assembled and sold rain barrels.
