Precautions

The Red River is host to zebra mussels—a key aquatic invasive species (AIS) that can cause harm to the river system and recreation. To prevent the spread of AIS to other rivers and lakes, racers should make sure they drain water from the inside of their vessels and remove any plants or debris from equipment.

ADDITIONAL RECOMMENDATIONS INCLUDE:

- **Spray** with high-pressure water
- **Rinse** with very hot water (120°F for at least 2 minutes; or 140°F for at least 10 seconds)
- **Dry** for at least 5 days

Rules to Remember

- Fun is the primary intention of this event!
- PFDs must be worn AND fastened at all times
- All vessels must be manually propelled
- No tipping, bumping or splashing others
- Alcohol is not permitted

Family and Friends

Family and friends can bike/run/walk along the entire course on the Fargo Park District's trail system to watch paddlers.
